Attention: Brian Sawatzky, President

Dear Mr. Sawatzky:

This letter is to confirm that the Council for the Town of Hanley has passed a resolution in support of the project being submitted by AgVantage Development Corp. for the development of an agriculture-based commercial entity.

The Town Council is excited that your company has chosen Hanley as the site of this development. This commercial project is consistent with the regional growth management plan in the provision of future economic activity, employment opportunities, and residential growth.

We look forward to ongoing development planning with AgVantage Development Corporation to make the project a viable entity and anticipate the receipt of copies of construction agreements and progress reports as the project proceeds.

Thank you.

Sincerely,

Darice Carlson, RMA
Chief Administrative Officer
